## Time and Talent 2011 Brochure

This brochure is a tool to help our members and regular attendees find a place to use their time and talents within the church to the glory of God. Please take time to look through this brochure and circle *as many* of the areas of service that interest you in volunteering your gifts and graces in the life of St. Matthew UMC. Circling items in this brochure does not obligate you to a certain area, but rather helps us to know who is interested in helping with programs and events at St. Matthew.
